

V-Rooms™ Announces Release of Virtual Data Room Upgrade at ACG -- InterGrowth

Atlanta, GA (PRWEB) April 2, 2008 -- V-Rooms™, a leading provider of internet based virtual data rooms, starting at only \$395 per month, for corporate mergers and acquisitions (M&A) and investment transactions, announced today the release of Version 3.3 of their V-Rooms™ Virtual Data Room program at the upcoming Association for Corporate Growth - ACG InterGrowth Conference.

V-Rooms Virtual Data Rooms - Version 3.3

"We are excited to release this latest upgrade to V-Rooms™ Virtual Data Rooms V-Rooms (<http://www.V-Rooms.com>). We listened to the suggestions that many of our customers made and have enhanced V-Rooms™ to add additional functionality" said Dan Bradbary, CEO of Due Diligence Online, LLC, parent company of V-Rooms™. "We continue to offer one of the most cost-effective, feature-rich virtual data room solutions on the market."

A number of the enhancements revolve around advanced security features to protect confidential corporate documents and the expanded report generation capabilities such as the automated Monday Morning Report. According to Karen Perkins, Vice President of Operations, "Our new automated reporting capabilities deliver a snapshot of a rolling 30-day review of activity in the virtual data room to our clients. This activity reporting is an essential feature for our clients to gauge the interest levels in their various deals."

ACG InterGrowth

V-Rooms™ Virtual Data Rooms is a sponsor of ACG InterGrowth ACG-InterGrowth (<http://www.acg.org/conferences/intergrowth>), a major upcoming M&A, private equity and corporate growth event.

On April 9-11, 2008, ACG will host the 37th annual InterGrowth Conference at The Marriott World Center Resort in Orlando, Florida. InterGrowth is the signature annual event of ACG and attracts all constituencies of the "deal world". This year, over 2,000 attendees, including investors, investment bankers/intermediaries, lenders, attorneys and other M&A professionals, are expected to take advantage of the extensive networking and educational benefits afforded by InterGrowth.
